The WRAP Sheet

From Compliance to Collaboration: WRAP Elevates Research Administration
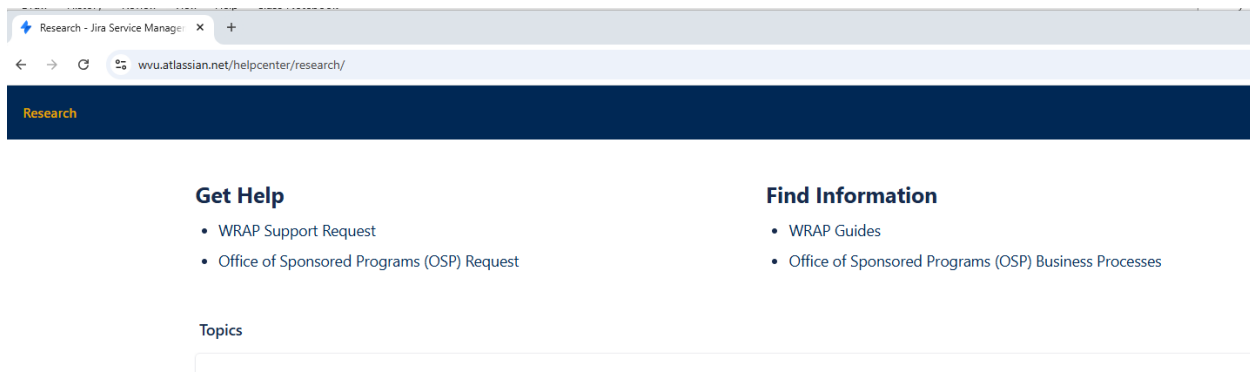

WRAP ID Numbers

WRAP creates default IDs for documents in various points in the research life cycle. Here are some examples and what they mean:

Acronym	ID Example	Definition
FP	FP00000086	Funding Proposal
FP#######_Rev#	FP00000086_REV1	Revision Proposal
FP#######_Res#	FP00000086_RES1	Resubmission Proposal
AWD	AWD00000044	Award
AMR	AMR00000013	Award Modification Request
MOD######-MOD#	AWD00000044-MOD001	Award Modification
SUB	SBU00000075	Subaward

WRAP Knowledge Base

The Help Center for Research provides guidance navigating WRAP and business processes for the Office of Sponsored Programs.

- Choose an option under "Get Help" to submit a request for assistance
- Choose an option under "Find Information" for self-service searching
  - This feature will return all results that contain the word(s) in the search.
  - This powerful search will empower users to obtain answers to questions when they arise.

Get Help

- For guidance, contact information, and support please review the Get Help page.
