

The WRAP Sheet

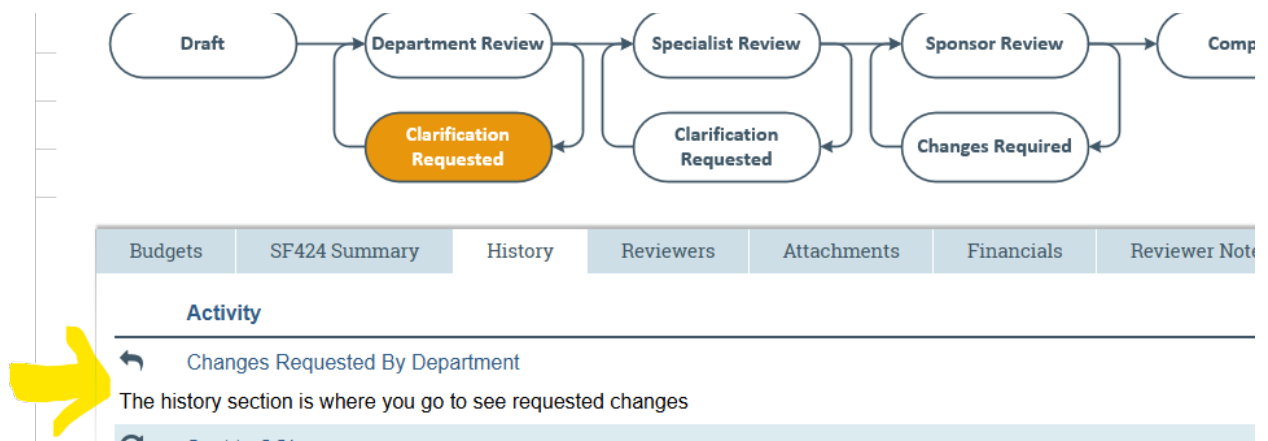

From Compliance to Collaboration: WRAP Elevates Research Administration

Research Security Training

- Beginning May 1, 2025, all “Covered Individuals” (e.g. PIs, Co-PIs, project directors, senior/key personnel, and others identified as Covered Individuals by a federal funding agency) listed on Department of Energy (DOE) award applications must certify to DOE that they have completed research security training. [More Information](#)

Clarification Requests

- The details of a clarification request can be found in the History tab of a document

System Navigation Tips

- Perform a broad search of data contained in all pages using the Search field in the upper right corner above the tabs.

Funding Proposal

- The search results appear in a secondary window and display only those items you have permission to view.

- Results are ranked to show items where the search term is most prevalent at the top.

Get Help

- For guidance, contact information, and support please review the [Get Help](#) page.
